

Junior Art Portfolio

Each student will create an Art Portfolio during their semester in Integrated Art/Multi media III. Portfolios are designed to help students interested in going to art school get a portfolio started. However, portfolios are also designed to benefit students who are not going in to an art related field after high school. Students will have the option to choose their theme and their mediums so that the work may benefit every student and their interests.

Essential Questions

How do the Elements and Principles of Design encourage a stronger understanding of our visual world?

Why is important to understand the arts?

What did you learn about yourself in the creation of a portfolio?

Portfolio Expectations

Choose a theme for your series of work.

By the end of the semester you will demonstrate mastery of the elements of design.

By the end of the semester you will demonstrate an understanding of the following principles of design.

Portfolio Expectations

Create at least 7 works of art throughout the semester which will include:

- Examples of 1 drawing (pencil, charcoal, pastel, marker, etc...)
- Examples of 1 painting. You may use the following materials for this piece (oil, watercolor or acrylic)
- 1 digital piece (video, original photoshop image, website, photography, etc...)
